What is?

WHAT IS WORKING REALLY WELL ON YOUR CAMPUS?

WHAT JUST NEEDS TO BE TWEAKED?

WHAT IS NOT WORKING AT ALL?

What if?

WHAT ARE THE OPPORTUNITIES THAT EXIST?
(LIMITLESS POSSIBILITY THINKING!)

PRIORITIZE YOUR OPPORTUNITIES!

What wows?

SELECT ONE OPPORTUNITY THAT YOU WANT TO FURTHER DEVELOP.

IDEATE & INNOVATE!! (THINK IN TERMS OF "WHAT COULD BE"?)
HOW IS THIS DIFFERENT AND INNOVATIVE? HOW DOES IT WORK TO IMPACT TRANSFER STUDENT SUCCESS?

- To enhance an identified positive attribute?
- To solve an identified challenge/barrier?
- To create a new idea not yet explored!?

THIS IS NOT JUST ABOUT THE LOOK AND FEEL OF THE IDEA,
BUT RATHER HOW IT WORKS TO SOLVE, ENHANCE, OR BRING ABOUT SOMETHING NEW FOR STUDENT SUCCESS!

What now?

WHO NEEDS TO BE INVOLVED TO MAKE IT HAPPEN?

WHAT DOES SUCCESS LOOK LIKE?
HOW WILL IT BE MEASURED?

WHAT ARE THE NEXT THREE IMMEDIATE STEPS?

- 1.
- 2.
- 3.

Session Notes
