Paul Quinn offers admission to students and family members

 insidehighered.com

Paul Quinn College surprised more than 400 high school seniors who were visiting the campus with offers of admission for them and their family members.

The first-gen category encompasses a varied group (opinion) | Inside Higher Ed

insidehighered.com

Not all first-generation students are alike, write Marjorie Darrah, Roxann Humbert and Gay Stewart.

New book offers guide to evolution of universal design for learning (UDL) concept | Inside Higher Ed

insidehighered.com

The concept applies to more than just disability issues. A new book helps contextualize the growing educational approach and offers a road map to adoption even skeptics will appreciate.
