Improving Minority Transfer Transitions with Integrated Student Support Services

Presented by: Kim L. Paige and Evan Simmons

Feasibility Proposal

Problem (s): Identify 1-3 minority transfer student challenges/barriers faced in pre-entry, matriculation, and graduation at your institution.

Target Audience (s): Identify 2-4 campus partners/groups essential to the development of your one-stop shop of integrated student support services.

Strategies/Goals: Develop 2-4 strategic goals of your one-stop shop model

Impediments/Issues: List 2-4 potential issues that could impede the development of a one-stop shop model

Assessment: Outline 2-4 areas to evaluate long-term success and needs of a one-stop shop model

Value Proposition: State your value proposition for a one-stop shop model connecting your institution's vision and mission for an inclusive campus.
