Partnering with Higher Ed to Encourage and Empower Transfer Students

Partnerships and Collaboration, Transition Programs and Services

Tau Sigma has partnered with universities for 20 years to help them better serve their transfer populations. While transfers are thankfully getting more and better services regarding articulation, admissions, orientation, advising, etc., they still face unique challenges with academic recognition, leadership and scholarship opportunities, social connectivity, and assimilation into the student population. This session will introduce you to the benefits of having a Tau Sigma chapter on your campus and explain how simple it is to establish a chapter.

Dear Lori,

We are pleased to notify you of your nomination for membership into the Tau Sigma National Honor Society at **Adelphi University**.

Tau Sigma is a national academic honor society designed specifically to recognize and promote the academic excellence and involvement of transfer students. Membership in Tau Sigma is a special opportunity for you to distinguish yourself based on your academic excellence and we wish to congratulate you on your early success at Adelphi.

You have received this honor because of your high academic achievement while at Adelphi. Candidacy for membership in the Adelphi chapter of Tau Sigma is granted to those students who have transferred to Adelphi having completed at least one year at a prior institution and earned at least a 3.5 grade point average during their first term.

Why join Tau Sigma? Every year, Tau Sigma awards scholarships totaling \$100,000 and hosts an annual leadership conference in which members from chapters across the country are represented.

Membership into Tau Sigma is conferred by a one-time invitation only.
